The Power behind the dough

KC

You may use an old favorite recipe and the best of materials and make it carefully, the oven may be just right, yet you will have a failure if "The Power behind the Dough" is not the right one to leaven it properly and make it light, digestible, wholesome.

Good baking without good baking powder is out of the question. KC Baking Powder has wonderful leavening power, and the double action—in the bowl and in the oven—makes good results doubly certain.

Take no chances of failure—use KC and have "good luck" every time. At all Grocers.

POLICE INSPECTORS CONVICTED BY JURY

Jury Finds Four Demoted Officials Guilty of Conspiracy to Obstruct Justice by Bribing Witnesses.

New York, May 7.—James F. Thompson, James E. Hussey, John G. Murtha and Dennis Sweeney, the four demoted police inspectors, charged with conspiracy to obstruct justice, were convicted by a jury in the supreme court.

Only 33 minutes were taken by the jurors to reach their verdict that the defendants were guilty of a misdemeanor in plotting to keep a prospective witness against the "system" from making graft disclosures before the grand jury.

The conviction of Thompson, Hussey, Murtha and Sweeney is regarded by dis-

trict attorney Whitman as the most important yet, in the expose of the police "system" that was to show the underworld when Lieut. Becker hired the four men to murder Herman Rosenthal, the gambler, last October.

District attorney Whitman and his assistants produced evidence that the four had bribed Geo. A. Sippa, a resort keeper, to leave town after having told the grand jury that he had been contributing protection money to the police.

Before Mr. Whitman had a chance to get Sippa to repeat his testimony before the grand jury, the hotel man took flight. Upon being returned to the court's jurisdiction, he declared he had been bribed with \$2000 to leave. The prosecutor's inquiry into his story resulted in the joint indictment of the defendants, then inspectors.

A dainty blouse and skirt, with new and pleasing trimmings, in the shape of eyelets and lacing cords, is sketched here.

Plain white and tan-colored linen are combined, and the eyelets are worked in turquoise blue and the lacing cords made of the same thread, tightly twisted and tied in the form of tassels at the ends. The dress has the merit of holding all of its color when washed.

COUNCILMAN AND POLICE CHIEF NAMED

Douglas High School Baccalaureate Sermon to Be Preached Sunday; Teachers Elected.

Douglas, Ariz., May 7.—Thomas P. Glenn has been chosen councilman from the Fourth ward to succeed Fred Hess, who resigned. Mr. Glenn is a long-time resident of Douglas and is a contractor at the C. & A. smelter. Contrary to the general expectation, chief of police Thomas Askins made no contest to hold his office. His resignation was handed in and read during the meeting. It was accepted and E. L. Nagay promoted from the night sergeant's desk to be chief. American consul Frederick Simpich, who, with his wife and young son, has been here for several weeks, has left for his home in Nogales, Ariz. With the shifting of the scene of rebel activities to the south of Nogales, Simpich feels that it is important that he should be there.

Rev. E. W. Simonson will preach the Baccalaureate sermon to the senior class of the high school in the auditorium of the high school building Sunday evening. On Saturday the seniors and juniors of the high school will have a banquet at the Gladson hotel. This is an annual event.

Mrs. May Neuman died suddenly at the home of her husband on a ranch two miles north of Douglas, after a brief illness with heart failure. The body was shipped to her former home in Tennessee for interment.

John Hill, a negro waiter on the dining car running between here and Tucson, dropped dead on H avenue, near Ninth street.

Mr. and Mrs. William T. Johnson have arrived in Douglas from El Paso by automobile. They were married in El Paso and immediately started on their automobile honeymoon. The bride was Miss Ethel Morgan, daughter of Henry Morgan, banker and merchant of Wilcox, Ariz. The groom is the son of a well known cattleman.

There were 38 fires in Douglas during the fiscal year, which closed April 30, according to fire chief W. J. Nemeck. The average loss at each was \$32.48, although total property involved was \$106,059 in value. Insurance rates in the Douglas district have been decreased practically 20 percent during the year.

The board of education has selected the 54 teachers who will teach here next year. Thirty-nine of the teachers now employed here have taken the positions offered them. Fifteen who were elected would not accept the contracts and will be replaced by others who have been selected also.

GOOD PRICE IS BROUGHT FOR YEARLINGS AT CORONA

A Pure Food Fountain.
Right at the very beginning of the summer season, we want to impress on every one that ours is a "pure food" fountain. That is, only the purest ingredients are used in all our beverages, ices, etc., and we keep everything connected with the fountain spotlessly clean. Mothers need not hesitate to allow the little folks to come here.

Irvin was unanimously re-elected president of the school board, at a meeting of the board held Tuesday afternoon at the Bailey school for the purpose of canvassing the returns of the recent school trustees' election. J. E. Morgan, one of the re-elected trustees, was elected vice president, and Herman Andrews secretary.

Morgan was fourth, Walker received 25.

The first business transacted by the new board was to elect the finance and external committee. Those on the finance committee are: Andrews, chairman; Morgan and McClintock, Simmons, chairman; Fish and Andrews, dress compose the external committee.

CHICAGO PUTS OFFICIAL BAN ON IMDECENT SONGS

Chicago, Ill., May 7.—Pursuant to an energetic "blue laws" campaign by the city council, indecent songs are put under the official ban. Suggestive verse thus takes its place with undressed figures in the "turkey trot," and some of the dances of which recently have been unlawful in Chicago.

The ordinance was adopted by a large majority. Aldermen "Burr House" John Caughlan announced he would offer an ordinance prohibiting transparent stockings, low necks and flimsy waists worn by women.

"Some of the dresses I saw on the street shock my moral sense," he said. "They should be forbidden by law."

SYRUP OF FIGS IS BEST FOR A CHILD

Cleanses it's Little Stomach, Torpid Liver and Constipated Bowels.

Mother! look at the tongue! see if it is coated. If your child is listless, drooping, isn't sleeping well, is restless, doesn't eat heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad, has stomach-ache, diarrhoea, sore throat, or is full of cold, it means the little ones' stomach, liver and bowels are clogged up with waste and need a gentle, thorough cleansing at once.

Give a teaspoonful of Syrup of Figs, and in a few hours the foul, decaying, constipated matter, undigested food and sour bile will gently move on and out of its little bowels without nausea, crying or weakness, and you will surely have a well and smiling child shortly.

With Syrup of Figs you are not dragging your children, being composed entirely of innocuous figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed—a little given today will save a great deal of trouble tomorrow. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious-tasting, genuine old reliable. Refuse anything else offered—Advertisement.
